

Jennifer Lopez, Midnight Trip to Vegas

Tekst piosenki 'Midnight Trip to Vegas' z albumu 'This Is Me...Now' od Jennifer Lopez (premiera 16

I always dreamed that I'd find somebody like you

We're drowning
In orchid arrangements
Dresses and pastries
What if it's raining, yeah?
Is this what we've been dreaming of?
It's crowded with families and agents
Room reservations, which destination
Paps helicopters, event of the ages
Caught in the matrix

Then you whispered in my ear
Said, "Let's get out of here"
We can disappear tonight

What about a
Midnight trip to Vegas?
Just me and you, baby
Throw the kids in the back of the pink Cadillac
And us in the bathroom changing
Midnight trip to Vegas
Both our hearts are racin'
I'll pick you up late, we don't have to wait
Yeah, let's do something crazy

Woohoo, woohoo, woohoo, ooo
Woohoo, woohoo, woohoo, ooo

We could be driving right now
Twenty miles into the desert by now
Your hand on my thigh
Laughin' till we cry
Didn't tell a soul 'bout how it's goin' down tonight
Top down, singing Freddie Mercury
Waiting in the line at the DMV
"Just married" on the window
So glad that we could keep it simple

Then I whispered in your ear
I'm so glad we're here
Dancing with our fears tonight

On a midnight trip to Vegas
Just me and you, baby
Throw the kids in the back of the pink Cadillac
And us in the bathroom changing
Midnight trip to Vegas
Both our hearts are racin'
I'll pick you up late, we don't have to wait
Yeah, let's do something crazy

Woohoo, woohoo, woohoo, ooo
Woohoo, woohoo, woohoo, ooo

I always dreamed that I'd find somebody like you

What about a
Midnight trip to Vegas?
Just me and you, baby
Throw the kids in the back of the pink Cadillac
And us in the bathroom changing

Midnight trip to Vegas
Both our hearts are racin'
I'll pick you up late, we don't have to wait
Yeah, let's do something crazy

Woohoo, woohoo, woohoo, ooo
Woohoo, woohoo, woohoo, ooo
