

# Jennifer Lopez, Never Gonna Give Up

Forgiving him  
Was the first thing I had to do  
In order to move on  
Forgetting it was not as easy to do  
I had to teach myself to be strong  
And it's so easy to be scared  
When I think of all that I shared  
When I think of how he made me feel  
The bad and the good  
Sometimes I wish I could take it back  
But we can't go back -- gotta keep moving

It's all good  
Don't wanna hear no woulda, coulda  
Maybe I shoulda  
Stayed with someone who never knew that I was true  
It's all good  
Now that I'm going forward  
Now that I'm growing  
Now that I know it  
Never gonna give up on  
Never gonna give up on love  
Never gonna give up on love

I have to admit  
You weren't the only one at fault  
I was at wrong too  
Trying to be someone I wasn't  
I thought I could make myself happy with you  
And its so easy to be scared  
When I think of all that I shared  
When I think of how he made me feel  
The bad and the good  
Sometimes I wish I could take it back  
But we can't go back -- gotta keep moving

It's all good  
Don't wanna hear no woulda, coulda  
Maybe I shoulda  
Stayed with someone who never knew that I was true  
It's all good  
Now that I'm going forward  
Now that I'm growing  
Now that I know it  
Never gonna give up on  
Never gonna give up on love  
Never gonna give up on love

I knew I was going to get through it  
Breaking up is hard to do  
But I had to do it  
It had something to do with me figuring it out  
What this is all about  
When it came to me, when it comes to me, gotta do what best for me

It's all good  
Don't wanna hear no woulda, coulda  
Maybe I shoulda  
Stayed with someone who never knew that I was true  
It's all good  
Now that I'm going forward  
Now that I'm growing  
Now that I know it  
Never gonna give up on

Never gonna give up on love  
Never gonna give up on love
