

Jennifer Lopez, Never gonna give up on love

Forgiving Him
Was The First Thing I Had To Do
In Order To Move On
Forgetting It Was Not As Easy To Do
I Had To Teach Myself To Be Strong
And Its So Easy To Be Scared
When I Think Of All That I Shared
When I Think Of How It Made Me Feel
The Bad And The Good Sometime I Wish I Can Take It Back
But We Cant Go Back Gotta Keep Moving
Its All Good
Don't Wanna Hear No Would Coulda
Maybe I Shoulda
Stayed With Someone Who Never Knew That I Was True
Its All Good Now That Im Going For What
Now That Im Growing Now That I Know Enough
Never Gonna Give Up On
Never Gonna Give Up On Love
Never Gonna Give Up On Love
I Have To Admit
You Weren't The Only One At Fault
I Was At Wrong To
Trying To Be Someone I Wasn't
I Thought I Ca Make Myself Happy With You
And Its So Easy To Be Scared
When I Think Of All That I Shared
When I Think Of How It Made Me Feel
The Bad And The Good Sometime I Wish I Can Take It Back
But We Cant Go Back Gotta Keep Moving
Its All Goodg
Don't Wanna Hear No Would Coulda
Maybe I Shoulda
Stayed With Someone Who Never Knew That I Was True
Its All Good Now That Im Going For What
Now That Im Growing Now That I Knowin
Never Gonna Give Up On (Ohh Ohh)
Never Gonna Give Up On Love(Ohh)
Never Gonna Give Up On Love
I Knew Was Going To Get Through It
Braking Up Is Hard To Do
But I Had To Do It
It Had Something To Do With Me Figuring This Out
What This Is All About
When It Came To Me When It Comes To Me Gotta Do What Best For Me
Its All Good
Don't Wanna Hear No Woulda Coulda
Maybe I Shoulda
Stayed With Someone Who Never Knew That I Was True
Its All Good Now That Im Going For What
Now That Im Growing Now That I Knowing
Never Gonna Give Up On (Ooh Ooh)
Never Gonna Give Up On Love (Ooh)
Never Gonna Give Up On Love
