

Jennifer Lopez, No Me Ames (Duet With Marc Ant

No Me Ames (Duet with Marc Anthony) Lyrics

Dime por qu lloras
De felicidad
Y por qu te ahogas
Por la soledad
Dí por qu me tomas, fuerte as,
mis manos, y tus pensamientos te van llevando

Yo te quiero tanto
Y por qu ser
Loco testarudo, no lo dudes ms,
aunque en el futuro haya un muro enorme,
yo no tengo miedo, quiero enamorarme.

No me ames, porque pienses que
parezco diferente
T no piensas que es lo justo,
ver pasar el tiempo juntos
No me ames, que comprendo,
la mentira que sera.
Si tu amor no merezco, no me ames,
mas qudate otro da

No me ames, porque estoy perdido,
porque cambi el mundo, porque es el
destino, porque no se puede, somos un espejo,
Y t as seras lo que yo
de m reflejo
No me ames, para estar muriendo,
dentro de una guerra llena de
arrepentimientos, no me ames para estar
en tierra, quiero alzar el
vuelo, con
tu gran amor por el azul del cielo

(SHORT BREAK)

No s qu decirte, esa es la verdad,
si la gente quiere, sabe lastimar
T y yo partiremos, ellos no se mueven,
pero en este cielo sola no me dejes

No me dejes, no me dejes, no me escuches,
si te digo "no me ames";
No me dejes, no desarmes,
mi coraz&#oacute;n con ese "no me ames";
No me ames, te lo ruego, mi amargura, djame
Sabes bien, que no puedo, que es intil,
que siempre te amar

No me ames, pues te har sufrir con este
corazn que se llen&#oacute; de mil inviernos
No me ames, para as olvidarte de tus das grises, quiero que me ames
s&#oacute;lo por amarme
No me ames, t y yo volaremos,
uno con el otro y seguiremos siempre juntos
Este amor es como el sol que sale tras de la tormenta
Como dos cometas en la misma estela

"Dont love me" &#x26; "You don't love me";

Tell me why you're crying...
Of happiness.

And why are you drowning?
for loneliness
Tell me why you take my hands so strongly, and let your
thoughts carry you away

I love you so much
And why is that?
Crazy stubborn person, stop doubting it any longer
Even though in the future there will be a huge wall
I'm not afraid, I want to fall in love

Dont love me, because you think that
I may appear different
You dont think its right
For us to see time go by together?
Dont love me, I understand
the lie that it would be
If your love, I don;t deserve, dont love me,
just stay another day

Dont love me, because I am lost,
Because I changed the world, Because its destiny
Because it can't be, We both are like a mirror,
And you would be my own reflection
Don't love me, you would be dying
Within a war full of regrets, dont love me to be on this
Earth, I would like to throw your enormous love
thru the blue sky.

(SHORT BREAK)

I dont know what to say to you, that's the truth
When people want to, they know how to hurt
You and I will depart, they would not move,
But in this sky dont leave me alone

Dont leave me, dont leave me, dont listen to me
If I say to you "dont love me"
Dont let me. Do not disable
my heart with that "Dont love me"
Dont love me, I'm begging you, leave me with my bitterness
You know well, that I can't, that its useless,
That I will always love you

Dont love me, because I would make you suffer with this heart of mine
that was filled with a thousand winters.
Dont love me, so that way you can forget of your gray days.
I want you to love me, just to love me
Dont love me, you and I will fly,
With with the other, and we will always be together
This love is like the sun that comes out after the storm
Like 2 comets on the same path
