J-LO:

Let me introduce you to my party people

In the club...ha

Pitbull:

I'm loose (loose)

And everybody knows I get off the chain

Baby it's the truth, it's the truth

I'm like inception I play with your brain

So don't sleep or snooze

I don't play no games so don't- don't- don't get it confused, no

'Cause you will lose, yeah

Now-now pu-pu-pu-pu-pump it up

And back it up like a Tonka truck, dale

J-LO:

If you go hard you gotta get on the floor

If you're a party freak then step on the floor

If you're an animal then tear up the floor

Break a sweat on the floor, yeah we work on the floor

Don't stop, keep it moving put your drinks up

Pick your body up and drop it on the floor

Let the rhythm change your world on the floor

You know we're running shit tonight on the floor

J-LO & Pitbull:

Brazil, Morocco, London to Ibiza

Straight to LA, New York, Vegas to Africa (dale)

J-LO:

Dance the night away

Live your life and stay young on the floor

Dance the night away

Grab somebody, drink a little more

(A señorita, a señorita, a señorita, a señorita)

Lalalalalalalalalalalalalalalalal

Tonight we gon' be it on the floor

Lalalalalalalalalalalalalalalalal

Tonight we gon' be it on the floor

J-LO:

I know you got it, clap your hands on the floor

And keep on rocking, rock it up on the floor

If you're a criminal, kill it on the floor

Steal it quick on the floor, on the floor

Don't stop keep it moving, put your drinks up

It's getting ill it's getting sick on the floor

We never quit, we never rest on the floor

If I ain't wrong we'll probably die on the floor
