

Jennifer Lopez, Same Girl

It's killing me
I'm losing sleep
And I'm waking up tired (of it all)
3 in the morning
And it's starting already
With my name always involved

I try to get rid of the baggage
Fake friends I call them "has-been"
Yeah they lying on stuff
And I don't care if they don't show me love (no!)

So they want me to lie down
They want me to crawl
They want me to cry now
But I've never fallen off
