Jennifer Lopez, US

is this a warning? my heart beating on an offbeat is this a caution that I can't get enough for your need

could it be us? could it be us? could it be us? could it be us?

feeling you go on ant touch my love throwing it now here we go catch up

could it be us? could it be us? could it be us? could it be us?

I'm right here don't wake me if I'm dreaming could you be the on without a doubt? could I ne for your keeping

could it be us? could it be us? could it be us? could it be us?
