

# Jennifer Lopez, Walking On Sunshine

I can't wait, wanna see, how this night is gonna be,  
Just a touch away, from this feeling that is here to stay,  
We can make it last forever baby,  
our love will stand the test of time,  
and in the middle of our world,  
i'll be waiting for you to be all mine,

[Chorus:]

We're walking on sunshine,  
in the middle of the night,  
and it feels like I'm somewhere above the sky, I, I, I  
Take my hand, and close your eyes,  
say the sweet little things, that make me cry,  
catch my tears with a kiss,  
these special moments do exist,  
We can make it last forever baby,  
our love will stand the test of time,  
and in the middle of our world,  
i'll be waiting , for you to be all mine,

[Chorus:]

It'll take much more than a life time baby,  
for this love to end, and it feels so good to know,  
that we are here in love again.

[Chorus:]

We're walkin on sunshine, in the middle of the night,  
and it feels like i'm somewhere above the sky, I, I, I  
Let's take a chance, and try love baby,  
No I'm not kiddin now,  
til, you tell me that you'll be in my life, until the end of time,

[break]

[Chorus:]

We're walkin on sunshine, in the middle of the night,  
and it feels like i'm somewhere above the sky, I, I, I [again]  
Let's take a chance, and try love baby,  
No I'm not kiddin now,  
til, you tell me that you'll be in my life, until the end of time,  
oooooo, ooooo, ewo, ewo,

[Chorus:]

We're walkin on sunshine, in the middle of the night,  
and it feels like i'm somewhere above the sky, I, I, I [times 4]
