Jennifer Warnes, You Don't Know Me

You give your hand to me And then you say hello And I can hardly speak My heart is beating so And anyone can tell You think you know me well But you don't know me

No you don't know the one Who dreams you at night And longs to kiss your lips And longs to hold you tight To you I'm just a friend That's all I've ever been Well you don't know me

For I never knew
The art of making love
Though my heart aches with love for you
Afraid and shy
I let my chance that you might love me too

You give your hand to me And then you say goodbye I watch you watch you walk away Beside the lucky guy You'll never, never know The one who loves you so Well, you don't know me
