

# Jericho, I Think I'm In Love (Kristine Hermosa's S

Is this love, feeling restless inside  
Wanting you, to always be by my side  
I dont even want you out of my sight  
You are in my thoughts all day, and night  
I cant get you our of my mind  
I think im in love

Chorus:

I think i'm in love, I think i'm in love... with you  
Every single day, every single night, every single moment of my life  
I want to spend them all with you  
I think i'm in love, I think i'm in love... with you  
Tell me that you care tell me please, tell me that he wants to feel  
The way that I do

Can't describe, words are just not enough, cant explain  
It all happened so fast, what exactly am I feeling right now  
If this is love I got to know somehow, how long will this madness will last  
Cause I think im in love

Chorus:

I think i'm in love, I think i'm in love with you  
every single day, every single, night every single moment of my life  
I want to spend it all with you  
I think i'm in love, I think i'm in love with you  
Tell me that you care, tell me please, tell me that he wants to feel  
The way that I do.....I think i'm in love.....  
I...think.... i'm in.....love
