

# Jerry Lee Lewis, Got You On My Mind

Got you on my mind feeling kinda sad and low  
Got you on my mind feeling kinda sad and low  
Wondering where you are wondering why you had to go

Tears began to fall everytime I hear your name  
Tears began to fall everytime I hear your name  
Since you went away darling nothing seems to be the same

No matter how I try my heart keeps tellin' me that I can't forget you  
It should ever be that you wanna come back to Jerry Lee Lord I'm gonna let you  
Got you on my mind...
