

# JESS GLYNNE, All I Am

every butterfly i get belongs to you  
you don't believe me but it's true  
show the freckles arms  
spell out your name  
real feelings coming through

cause all I know and all I am is you  
all I know and all I am is you  
I, breaking my silence  
cause I've had a few  
I just can't deny it  
that all I know and all I am is you

every time I think I'm falling  
I know you're falling too  
there's no doubt you're all in  
if you ever think you're falling  
you know I'll catch you too  
cause all I am is you

every daydream I have start and ends with you  
I wanna play it one more time  
when I need an alibi  
you're my perfect excuse  
you are always on my side

cause all I know and all I am is you  
all I know and all I am is you  
I, breaking my silence  
cause I've had a few  
I just can't deny it  
that all I know and all I am is you

every time I think I'm falling  
I know you're falling too  
there's no doubt you're all in  
if you ever think you're falling  
you know I'll catch you too  
cause all I am is you

if feels like I'm miles away  
you bring me back home again  
you told me through my mistakes  
let go as we start again  
you're a habit I'll never break  
no /5x!

I'm breaking silence  
cause I've had a few  
I just can't deny it  
that all I know and all I am is you

every time I think I'm falling  
I know you're falling too  
there's no doubt you're all in  
if you ever think you're falling  
you know I'll catch you too  
cause all I am is you  
yes all I know and all I am is you
