

JESS GLYNNE, Enough

I'll be your safe
I'll be your only way
And when you break
I'll be your warm embrace

And I'll be your bed
So you can lay your head
I'll be that place
You hide all your mistakes

And even if I wanted to
Your heart was bulletproof
And everything that we've been through
Couldn't even pull us through

Been weighing me down, wanna take it all off
Face on the ground, wanna pick it all up
Was praying for love, but I wasn't enough
Done with the pain, make it all stop
I'm more than enough, more than enough
Gave half of your love and left nothing for us
Been weighing me down, wanna take it all off
'Cause I'm more than, more than, more than, more than enough

I won't go back
Your room is now my past, and I
Stopped wearing black
My dues are all paid back

And even if I wanted to
Your heart was bulletproof
And everything that we've been through
Couldn't even pull us through

Been weighing me down, wanna take it all off
Face on the ground, wanna pick it all up
Was praying for love, but I wasn't enough
Done with the pain, make it all stop
I'm more than enough, more than enough
Gave half of your love and left nothing for us
Been weighing me down, wanna take it all off
'Cause I'm more than, more than, more than, more than enough

I'll take you for breakfast
You take me for granted
I get so emotional
You can't break the habit
You buy me diamonds
Always the wrong timing
My soul is a precious stone
Guess you need reminding

I'll take you for breakfast
You take me for granted
I get so emotional
You can't break the habit
You buy me diamonds
Always the wrong timing
My soul is a precious stone
Guess you need reminding

Been weighing me down, wanna take it all off
Face on the ground, wanna pick it all up
Was praying for love, but it wasn't enough

Done with the pain, whoa
I'm more than enough, more than enough
Gave half of your love and left nothing for us
Been weighing me down, wanna take it all off
'Cause I'm more than, more than, more than, more than enough
