

JESS GLYNNE, Right Here

Finally I'm where I wanna be,
I didn't think this life was gonna be for me
I love you baby, do discover was I here
But now I'm caught up in a dream, don't wanna leave!

See I can't give one for wish or not at all
When you least expect it's creepin' up on you
No confiding nor bite it to my rose
And now I'm counting knowing I'm here with you

Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here!

Infatuation took a hole of my mind
I wouldn't change it for the world
Now you're mine
You played me hard to get for a while
Still got me deeper every day with your smile!

See I can't give one for wish or not at all
When you least expect it's creepin' up on you
No confiding nor bite it to my rose
And now I'm counting knowing I'm here with you

Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here!

You know I'm contained
Oh yes, I'm up on that thing
Right here is what I'd be
I'm not complaining
Finally I'm content
Oh yes, about that thing
Right here is where I'd stay
But I'm not complaining

Right here, you got me where you want me
If you want me!
Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here!

Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here!
