

# Jesse McCartney, Better With You

I know it's ugly turning on the news  
there's people fighting over point of view  
sometimes it's like there's nothing left to lose  
and I don't know what to do  
but I know it's better with you

I was a wreck when you came along  
when there was nothing left you showed me the best  
I'm still a mess but you hold on  
don't know just why you do  
but I know I'm better with you

but I know I'm better with you  
but I know I'm better with you  
but I know I'm better with you

for every laugh there is a silent cry  
for every day there's is a darker night  
sometimes this life doesn't treat us right  
and I don't know what to do  
but I know it's better with you

I was a wreck when you came along  
when there was nothing left you showed me the best  
I'm still a mess but you hold on  
don't know just why you do  
but I know I'm better with you

but I know I'm better with you  
but I know I'm better with you  
but I know I'm better with you

whenever you are  
its never ask dark  
whenever I start slipping  
you make all the difference  
been there from the start  
no matter how hard  
whenever piece is missing  
you know how to fix it

but I know I'm better with you  
but I know I'm better with you
