

Jessie J, Sexy Silk

Boy, I will be your sexy silk
Wrap me around, 'round, 'round, 'round
I'll be your pussycat licking at your milk
Right now down, down, down
Oh, a kiss can last all night!
You'll have to seduce me, nibble and bite
(Aww, yeah)
But oh no no no
Whoa whoa go
Slow baby don't
Ohhhh!

Whoa whoa whoa whoa
Whoa boy you're gonna win!
Say 'yeah, yeah, yeah' you're under my skin
I got butterflies within
Ohhhh!
I think I like you!

Will you be my medicine man?
Put your hand on my chest
Feel the bump, bump, bump, bump
Will you be my sugar rush?
Make me get high with just one touch
A kiss can last all night!
You'll have to seduce me, nibble and bite
(Aww, yeah)
But oh no no no
Whoa whoa go
Slow baby don't
Ohhhh!

Whoa boy you're gonna win!
Say 'yeah, yeah, yeah' you're under my skin
I got butterflies within
Ohhhh!
I think I love you!

Now let's play a little game
(Whoa)
Close your eyes and count to five
(One, two, three)
Open your mouth for me sugar
(Yeah, come on)
Just a little more, yeah, yeah that's right
(Whoa)
Yeah, I can feel it baby, can you?
Ohhh!

Whoa boy you're gonna win!
Say 'yeah, yeah, yeah' you're under my skin
I got butterflies within
Ohhhh!
I think I love you!
