

Jessie Ware, Pearls

Excuse me
I don't know about you
But I think it's time to
Shake it til the pearls fall
I'm so 9-5
I'm a lady, I'm a lover
A freak and a mother
Walking on the line
It's my human nature, I crave a little danger

I know you wanna go to the moon
But if you don't go, you'll never get there oh
I know you wanna go to the moon
Take a hold of me and shake it
til the pearls fall off

let me go! Let me dance!
And shake it
til the pearls get
Lost, in romance, let's just dance!
And shake it
til the pearls fall off

La la la la la la la la la la la la
Too good to be true
And I do what I wanna
A perfect primadonna (ooh!)
Now let my love come through and shine on you
Feel the Chemistry
(Keep my energy up)
When you're next to me
(Fill my energy up)
Won't you humour me
(You're so ooh scandalous)
Take a hold of me
And shake it
til the pearls fall
Off, let me go! Let me dance!
And shake it til the pearls get
Lost, in romance, let's just dance!
And shake it til the pearls fall off

La la la la la la la la la la la la
Shake it til the pearls fall off
La la la la la la la la la la la la

I know you wanna go to the moon
But if you don't go you'll never get there oh
I know you wanna go to the moon
But if you don't go you'll never get there oh
I know you wanna go to the moon
But if you don't go you'll never get there oh
I know you wanna go to the moon
I know you wanna go to the moon
But if you don't go you'll never get there oh

And shake it til the pearls fall
Off, let me go! Let me dance!
And shake it til the pearls get
Lost, in romance, let's just dance!
