

Jessie Ware, Tough Love

It's a really good sign that you hold my mind is true
And I've been thinking of what to say all night to do
So you wanna be a man about it, do you?
And have you figured out all you wanted, have you?

When your heart becomes a million different pieces
That's when you won't be able to recognize this feeling

That's called tough love /4x

In the middle of the night all I think about is you
I dream in all your clouds of glory, it's true!
So you wanna be a man about it, do you have to?
And have you figured out all you wanted, have you?

When your heart becomes a million different pieces
That's when you won't be able to recognize this feeling

That's called tough love
Tough love
/4x

You have me crying out, crying out for more /4x

That's called tough love
Tough love
