

Jessie Ware, What's Your Pleasure?

I can tell we've got potential
Is this love too hot to handle?
Make a wish
Blow out my candle
Make a wish for me

Show me you can listen closely
Tell me you can take it slowly
That's the way to get to know me
Get to know me

I know the way to make you happy
I give you love , you give it back to me
Who can deny this perfect symmetry
Just what i need
Just what i need

Come on now
