

Jessie Ware, Wildest Moments

You and I look like
We come together every time
Do wrongs, no rights
We lose ourselves tonight

From the outside, from the outside
Everyone must be wondering why we try
Why do we try

Maybe in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
Maybe in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all

Wait on, summer sky
Wherever there's smoke, there should be fire
What could bring bad luck
I've been looking at you too much

From the outside, from the outside
Everyone must be wondering why we try
Why do we try

Maybe in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
Maybe in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all

In the middle of it
We won't, we won't collide
Looking back on the set
Our wildest moments
Are you thinking what if
What if we ruined it all
My wrecking ball

From the outside, from the outside
Everyone must be wondering why we try
Why do we try

Maybe in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
Maybe in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
