

Jessie Ware, Wildest Moments (ft. A\$AP Rocky)

[A\$AP Rocky:]

Wrote a song for your love and it go like this
?Til we gone with the wind, man, we blow like fish
?Cause we glow like sticks
Words don?t like fists
If your love is a seed watch it grow like kids

You and I, bloodlines
We come together every time
Two wrongs, no rights
We lose ourselves at night

From the outside? from the outside
Everyone must be wondering why we try
Why do we try?

Baby, in our wildest moments
We could be the greatest, we could be the greatest
Baby, in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Baby, in our wildest moments
We could be the worst of all

Wait on ? summer sky
Wherever there?s smoke, there?ll soon be fire
What could bring bad luck?
I?ve been looking at you too much

From the outside? from the outside
Everyone must be wondering why we try
Why do we try?

[A\$AP Rocky:]

Started like the orphans, from the corner to the office
Ostrich on our Porsches for a portion of our fortunes
Flossin? ? our love is like a fortress, enormous
Even trendy in our corpses, fresh to death upon our coffins
We?ll fight and fuss until we get like friends
Or somebody bite the dust and we split like ends
Even in our wildest moments, girl, I?m on it ?cause you?re worth it
Practice makes perfect so we?re fighting for a purpose

Baby, in our wildest moments
We could be the greatest, we could be the greatest
Baby, in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Baby, in our wildest moments
We could be the worst of all

[A\$AP Rocky & Jessie Ware:]

In the middle of it
We walk, we walk the line
Looking back on the set
Our wildest moments
Are you thinking ?what if??
What if we ruin it all?
My wrecking ball

From the outside? from the outside
Everyone must be wondering why we try

Why do we try?

Baby, in our wildest moments
We could be the greatest, we could be the greatest
Baby, in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Baby, in our wildest moments
We could be the worst of all
