## Jester, Ruins

Castles fall around my ears Where is she now I'm alone in my fears And I'm crying out loud Kingdoms fall down There's nowhere to hide I am trapped without you Too scared to fight.....Without you And I'll be here In the ruins Waiting for you Come save me Please hurry It's getting cold I'm lying here I'm oh so scared And where are you know I'm not sure I think Im dying Lying here on the floor
