

# Jesus And Mary Chain, Something's Wrong

sung by Jim

Another day goes by me

Another day of life without you

And as I look around me

I feel so lonely there's noone

Noone here beside me

Noone here to help to see me through

To see me through

To see me through

Cause I need you

Cause I need you

Been standing still for much too long

And I realise there's something wrong

I'm feeling strange, I need a change

And I realise that there's something wrong

There's something wrong

There's something wrong

Another two years over

Don't understand what's happened to me

These days are so much colder

Up against the fire, don't feel any heat

Cracked up years behind me

Cracked up years ahead are all I see

Are all I see
