

# Jesus On Extasy, Stuck

I feel alive,  
I know I've wasted too much time.  
Can you show me the way to leave this world,  
Can you show me a way to escape.

I feel alive,  
I know I've wasted too much strength.  
I struggled with death,  
And all I got were 5 more years, so fuck it!  
Can you show me the way to leave this world,  
Can you show me a way to escape.

I feel alive,  
I know I've wasted too much love.  
I wasted love, I wasted.  
I wasted love, I wasted ...

I'm stuck in here.  
I'm stuck on you.  
I'm stuck in a dream,  
Which never comes true.

I feel ashamed,  
For I never told the truth.  
I feel complete,  
For I finally found you.  
Can you show me the way to leave this world,  
Can you show me a way to escape.

(and I'll follow you)

I'm stuck in here.  
I'm stuck on you.  
I'm stuck in a dream,  
Which never comes true.

Don't wake me up,  
Cause I don't want to see the truth... (4 x)

Don't wake me up (3 x)  
Don't wake (7x)
