

Jesy Nelson, Boyz (feat. Nicki Minaj)

Love a little bitter in the sweet
Bad boy, me recipe
Being nice a little boring when you in between the sheets
When I ride that hee haw,
You know I know how to please you

I like them tattoos and them gold thet
Tough to make me feel like I'm a baddie
I like the fire you're bringing out of me
Baby, something about him got me weak in the knees
The hole that you dug, you'd be criminal
My mama won't see what I see in you
But I don't want it if it ain't bad enough
I don't know what it is but

I like a bad, bad boy
I like a bad, bad boy
I like a bad boy who can stop me
I love bad boys for life
I like a bad, bad boy
I like a bad, bad boy
I like a bad boy who can stop me
I love bad boys for life

Got a little attitude, but I think he's kinda cute
So hood, so good, so damn tattooed
Know you know how to please me
Like it raw, baby, sashimi

I like them tattoos and them gold thet
Tough to make me feel like I'm a baddie
I like the fire you're bringing out of me
Baby, something about him got me weak in the knees
The hole that you dug, you'd be criminal
My mama won't see what I see in you
But I don't want it if it ain't bad enough
I don't know what it is but

I like a bad, bad boy
I like a bad, bad boy
I like a bad boy who can stop me
I love bad boys for life
I like a bad, bad boy
I like a bad, bad boy
I like a bad boy who can stop me
I love bad boys for life
