

# Jevetta Steele, Calling you

A desert road from vegas to nowhere  
Someplace better than where you've been  
A coffee machine that needs some fixin'  
In a little cafe just around the bend

I am calling you  
Can't you hear me?  
I am calling you

A hot dry wind blows right through me  
The baby's crying so i can't sleep  
But we both know the change is coming  
Come in closer, sweet release

I am calling you  
Can't you hear me?  
I am calling you

A desert road from vegas to nowhere  
Someplace better than where you've been  
A coffee machine that needs some fixin'  
In a little cafe just around the bend

A hot dry wind blows right through me  
The baby's crying so i can't sleep  
And i can feel the change is coming  
Come in closer, sweet release
