

Jill Scott, Celibacy Blues

This here celibacy thing
Lawd,just got something over me
Like an addict,I could really use a thing
You know what I'm talking about
Yeah,yeah,yeah,yeah,yeah,yeah

It's been hard to sleep at night
I'm ying ying ying ying it
Scratching it right
I get some new batteries almost every night
Lawd,this here celibacy thing

The stresses of this world
You know how they come down on a girl
I'm trying to clear my mind
But all I seem to find
Is this gangsta,gangsta,type of need

People say mind over matter
But,I don't mind what they say
And it don't matter
This here celibacy thing
Is working on me...
