

# Jill Sobule, One Of These Days

One of these days I'm going to get it together  
Gonna buy a watch gonna get it together  
Stop wasting time

One of these days I'm gonna get out of bed  
I'm gonna turn off the TV  
Gonna raise the dead  
Raise the dead

One of these days when I fall in love  
It won't fall apart like it always does  
One of these days I'll forget about you  
Take out the trash that's what I'll do

One of these days and it'll be real soon  
I'm gonna kick some ass  
gonna clean my room  
Sometime soon

One of these days I'm gonna touch the sky  
Like that awful song  
"I Believe I Can Fly"  
I believe I can fly

One of these days you'll be so sorry  
Sorry that you let it slip away  
One of these days I just won't care  
If you're sorry anyway

One of these days I'm gonna get it together  
Gonna be on time  
I'm gonna get it together  
Stop wasting time

One of these days I'll accept the fact  
I'm not getting any younger  
And I can't go back  
Can't go back

One of these days when I fall in love  
It won't fall apart like it always does  
One of these days I'll forget about you  
Take out the trash that's what I'll do

One of these days I'm gonna stop saying one of these days  
One of these days I'm gonna stop saying one of these days  
One of these days I'm gonna stop saying one of these days
