

Jim Brickman, Jim Brickman

I am amazed
When i look at you
I see you smiling back at me
It's like all my dreams come true
I am afraid
If i lost you girl
I'd fall through the cracks
And lose me track in this crazy lonely world
Sometimes it's so hard to believe
When the nights can be so long
And gave me the strength
And kept me holding on
Chorus
You are the love of my life
And I'm so glad you found me
You are the love of my life
Baby put your arms around me
I guess this is how it feels
When you finally find something real
My angel in the night
You are my love
The love of my life
Now here you are
With midnight closing in
You take my hand as our shadows dance
With moonlite on you skin
I look in your eyes
I'm lost inside your kiss
I think if i'd never met you
About all the things i'd missed
sometimes it's so hard to believe
when a love can be so strong
and faith gave me the strength
and kept me holding on
You are the love of my life
And I'm so glad you found me
You are the love of my life
Baby put your arms around me
I guess this is how it feels
When you finally find something real
My angel in the night
You are my love
The love of my life
