

Jim Brickman, The Love I Found In You

You are the air I need to breathe
the river of life inside of me
you are the half that made me whole
you are the anchor of my soul
and you are strong when I am weak
you are the words when I can't speak
you never fail to see me through
that's the love I found in you
you are my shelter from the storm
you are the road that leads me home
and baby with you here face to face
Oh I know I've found my place
and you are strong when I am weak
you are the words when I can't speak
you never fail to see me through
that's the love I found in you
and once in every life
you find the one that's right
and when you say forever it's true
That's the love I found in you
You are strong when I am weak
you are the words when I can't speak
you never fail to see me through
That's the love I found in you
That's the love, love I found in you.
