

# Jim Brickman, Til I See You Again

The holy voices speaking,  
words I can't recall.  
And I do still believe  
if I believe in anything at all.  
All you hear in me and all you hear.  
I thought I saw you walking down by a street yesterday.  
I thought I heard your voice though  
I could not hear just what you say.  
And I am waiting .  
And I'm waiting here for you.  
I'm whispering your name.  
I am telling to the wind.  
Your love has brought me here.  
'til I see you again.  
I am opening the door.  
I will let this moment in.  
Your love will find me here. 'til I see you again.

And I still can remember as I write down these words.  
The music in your voice and the silence of the universe.  
And I am singing.

And now I'm singing here for you.  
I'm whispering your name.  
I am telling to the wind.  
Your love has brought me here.  
'til I see you again.  
I am opening the door.  
I will let this moment in.  
Your love will find me here.  
'til I see you again.

And I am whispering your name.  
I am telling to the wind.  
Your love can find me here.  
'til I see you again.  
I am opening the door.  
I will let this moment in.  
Your love can find me here.  
'til I see you again.
