

Jim Noir, Tell Me What To Do

Hey, hey, hey, Mr. Hire
I'll never get your point of view
In all my life I've never seen no sign of you

Hey, hey, hey, Mr. Hire
To meet you would be ever so nice
You know me so well
And I'm looking for a little advice

Tell me what to do
And I will do what you tell me to do
I'll do it 'til I'm blue
I'll do it all too

Tell me what to do
And I will do what you tell me to do
I'll do it 'til I'm blue
I'll do it all too

Hey, hey, hey, Mr. Hire
I'll never get your point of view
In all my life I've never seen no sign of you

Hey, hey, hey, Mr. Hire
To meet you would be ever so nice
You know me so well
And I'm looking for a little advice

Tell me what to do
And I will do what you tell me to do
I'll do it 'til I'm blue
I'll do it all too

Tell me what to do
And I will do what you tell me to do
I'll do it 'til I'm blue
I'll do it all too

Yeah, yeah, yeah, yeah...
