

# Jimi Hendrix Experience, Freedom

You got my pride  
hanging outta my bed  
You're messin' with my life  
So I bought my lead ...  
You even mess with my children  
And you're screamin' at my wife, baby  
Get offa my back,  
if you wanna get outta here alive

Freedom, give it to me  
That's what I want now  
Freedom, that's what I need now  
Freedom to live  
Freedom, so I can give

You got my heart  
speak electric water  
You got my soul  
screamin' and howlin'  
You know you hook my girlfriend  
You know the drugstore man  
But I don't need it now  
I was trying to slap it out of her hand

Freedom, so I can give  
Freedom, yeah  
Freedom, that's what I need

You don't have to say that you love me  
if you don't mean it  
You'd better believe  
If you need me  
or you just wanna bleed me  
you'd better stickin' your dagger in someone else  
So I can leave  
Set me free

(Yeah)

Right on, straight ahead  
Stay up and straight ahead  
Freedom
