Jimi Hendrix Experience, Highway Chile

His guitar swung across his back His dusty boots is his Cadillac Flamin' hair just a-blowin' in the wind ain't seen a bed in so long it's a sin

He left home when he was seventeen The rest of the world he had longed to see And everybody knows boss A rolling stone gathers no moss

Now you'd probably call him a tramp But it goes a little deeper than that He's a highway chile

Now Some people say he had a girl back home messed around and did a bit a wrong They me tell it kinda hurt him bad Kinda made him feel pretty sad

I couldn't say what went through his mind Anyway he left the world behind Everybody knows the same old story in love or war you can lose your glory

Now you'd probably a-call him a tramp But I know it goes a little deeper than that He's a highway chile

Walk on brother

Now you may call him a tramp but I know it goes a little deeper then that He's a highway chile

Walk on brother, Don't let no one stop ya Highway Chile ya ya ya
