Jimi Hendrix, Here He Comes (Lover Man)

Jimi:

"here he comes" "here he comes take one"

here he comes, i say here comes your lover now here he comes here comes your lover man aah i gotta get my head from this pillow i gotta get outta your no heart fellin's reach down baby and get my runnin' shoes oh yeah reach down baby and get my runnin' shoes i gotta get outta here and i got no time to lose here he comes here comes your lover now here he comes here comes your lover man i gotta get my suitcase and get the hell outta just as fast as i can here he comes baby here he comes baby here he comes baby here he comes baby doo doo....
