

Jimi Hendrix, I Don't Live Today

Will I live tomorrow?
Well I just can't say.
Will I live tomorrow?
Well, I just can't say.

But I know for sure
I Don't Live Today.

No sun coming through my windows,
Feel like I'm living at the bottom of a grave.
No sun coming through my windows,
Feel like I'm living at the bottom of a grave.

I wish you'd hurry up 'n' execute me
So I can be on my mis'erable way

I Don't Live Today;
It's such a shame to waste you time away like this.

Existing

Will I live tomorrow?

Well, I just can't say.

Will I live tomorrow?

Well, I just can't say

I know for sure i don't live today

Ain't no life nowhere

experienced

(powerful feed music back cranked high and backed
off at the right time will bring the end of the
song into understandable lyrics)
