

Jimi Hendrix, Jam Back At The House

Jimi:

“yeah well a like I said before we only ran up a few numbers so let Me try and do this one like we were just jammin' at the house we don't have A name for yet it's just like an instrumental so we'll just go along with it. It goes somthin' like this.”

No lyrics. it's an insturmental like jimi said, but a great instrumental.

Jimi:

“before we go any further we'd like to say that you all really had a lot of pashents Three days worth. you've prooved to the world what can happen with a little bit of Love and sounds. oh, I left my girlfriend at home I'm sorry. I'd like to do a thing That a new american anthem until we get another on together. this is called 'voodoo Child (slight return)'. ”
