

Jimi Hendrix, Right On Straight Ahead

Freedom

Keep on pushing straight ahead

Drifting

Ezy Ryder

Here comes Ezy, Ezy Ryder,

Riding down the highway of desire

The free wind takes him higher

Trying to search for his heaven above

But he's dying to be loved

He's gonna be living so madly

Today is forever, so he claims

He's talking about dying, it's almost tragic, baby

But don't you worry about today

We got freedom coming our way

How long do you think he's gonna last -

Can I forecast?

See all the lovers say "Do what you please!"

Gotta get the brothers together and the right to be free

In a cloud of angel dust I think I see a freak

Hey, look, motorcycle mama, you gonna marry me

(Gonna be stoned crazy...

Love come in kinda easy... stoned crazy, baby)

There goes Ezy, Ezy Ryder

Riding down the highway of desire

He says the free wind takes him higher

Searching for his heaven above

He's dying to be loved

Night Bird Flying

My Friend

Straight Ahead

Hello, my friend

so happy to see you again

I'm so alone

All by myself

Just couldn't make it.

Have you heard Baby

What the winds blowing down

Have you heard Baby

A lot of peoples coming right on down.

Communication coming on strong

it don't give a damn Baby

if your hair is short or long

I said get out of your grave

Everybody is dancing in the street

Do what you know don't be slow

You gotta practice what you preach

Cause it's time for you and me.

Forget about the past Baby

Things ain't what they use to be

Keep on Straight Ahead

We got to stand side by side

We got to stand together and organize

They say power to the people

Thats what they're screamin'

Freedom of the soul

Pass it on, pass it on to the young and old.

You got to tell me the children the truth

they don't need a whole lot of lies

Cause one of these days Baby

They'll be running things.

So when you give them love

You better give it right

Woman - Child - Man and Wife

the best love to have is the Love of Life.

Hello my friend
So good to see you again
Been all by myself
I don't think I can make it alone
Keep Pushing Ahead.
