

Jimi Hendrix, Who Knows

They don't know
They don't know
Like I know
Like I know
Do you know
They don't know
I don't know
I don't know
What my baby
What my baby
Put on down
Put on down
What my baby
What my baby
Put on down baby
Put on down now
I just came back from
I don't know
I can't count it
I can't count it
I just came back in town
They don't know
I'm lookin' for my seller
I don't know my baby
Have you seen her
Have you freed her yeah
Have you seen her
Oooh hhhooo
Talkin' about my baby
Goin' down
Talkin' about my baby

I just came in
I just came in baby
I just came in
I just came in
Spread the magic honey
All in my bed
She got chains, attached to my head
Talkin' about
Talkin' about
Talkin' about my baby
I don't know about it

They don't know, what I know
They don't know, like I know
All the time been hangin' around
All the time I hang around
She didn't know
Ahh she didn't care
She didn't know
She didn't care
And she go walkin' down the street singin'
Everybody da
Da da dada da doo doo
Etc. (scat singing)

They don't know
Nobody knows
They don't know
Just don't know
Da da da
Etc. (scat singing)
