Smart woman (in a real short skirt)

This song is about being in my 40's in the 80's. it seems I'm learning more than I'm forgetting.  
-- spoken:

&quot;so I told her, ooh you got money of your own? well, that gives me the urge to merge

Bimbo limbo is where I've been  
I know you know that it's wearing me thin  
The times are changing, and it's about time  
I'm rearrangin' all the guilt in my mind

Chorus:  
I'm looking for a smart woman in a real short skirt  
Smart woman who knows how to flirt  
Smart woman got a mind of her own  
Smart woman that'll take me home  
Take me home

I'm not your macho kind of guy  
But I can be so when I'm feeling shy  
Hey, baby, where'd you get your good looks  
Ooh, babe, I want to carry your books

Chorus:

I'm looking for a smart woman in a real short skirt  
Smart woman who knows how to flirt  
Smart woman got a mind of her own  
Smart woman that'll take me home  
Take me home

Beauty and brains (beauty and brains)  
Best of both worlds (best of both worlds)  
Think I can change (think I can change)  
If you'll be my, be my, be my girl

Chorus:  
I'm looking for a smart woman in a real short skirt  
Smart woman who knows how to flirt  
Smart woman got a mind of her own  
Smart woman that'll take me home  
Take me home

Chorus:  
I'm looking for a smart woman in a real short skirt  
Smart woman who knows how to flirt  
Smart woman got a mind of her own  
Smart woman better take me home  
Take me home
