

# Jimmy Eat World, Harpoon

This will take some explaining but I think you will agree  
There is no use pretending that there's hope for you and me  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me  
Like a harpoon  
Like a harpoon  
Like a harpoon in my heart...  
Like a harpoon  
Like a harpoon in my heart  
Yeah  
I can handle the fighting, it's the affection I can't stand  
And I don't mind us talking, just don't try and touch my hand  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me  
Like a harpoon  
Like a harpoon  
Like a harpoon in my heart...  
Like a harpoon  
Like a harpoon in my heart  
Yeah  
When you left I didn't want you back  
But now your gone so won't you come right back  
Come right back... [ x 5 ]  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me  
Like a harpoon  
Like a harpoon  
Like a harpoon in my heart...  
Like a harpoon  
Like a harpoon in my heart  
Why does it hurt?  
Cos if it matter don't say it won't  
We're the same  
But is it happening again?  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me  
Like a harpoon  
Like a harpoon  
Like a harpoon in my heart...  
Like a harpoon  
Like a harpoon in my heart
