

Jimmy Eat World, Rockstar

Where you're hiding, the shine off the wall.
Stop giving it up now cause you're gonna find yourself a mastermind in time.
Rockstar, what's mine is yours.
Rockstar, you're looking good.
You're looking to find a fight.
I'm the stranger here you know.
Can't you understand that things always work out my way today.
Rockstar, what's mine is yours.
Rockstar, you're looking good.
You're looking to find a fight.
Rockstar. Rockstar.
Get off my battlefield.
You could not take it back from me.
It's all the way up top.
Cannot take a longer way.
Get off my battlefield.
Could not take it back from you.
It's all the way up top.
Cannot take a longer way.
That's all.
It's all.
Can't fall Away.
Back.
