

Jimmy Fallon, It Was A...(Masked Christmas) ft. A

What's up, y'all?

It's Megan Thee Stallion, Ariana Grande, and Jimmy Fallon

Ya'll know what time it is

It's time to get those boosters!

It was a masked Christmas, we stayed in the house

We covered our nose and covered our mouth

But it's Christmas time

We'll be in line for a booster (For a booster)

It was a masked Christmas

We hopped on a Zoom (Hopped on a Zoom)

I can only get WiFi in the laundry room (Laundry room)

But it's Christmas time

We'll be in line for a booster

I need somebody to hold tonight

'Cause it's gonna snow ('Cause it's gonna snow)

I need somebody to hold me tight

And never let go (Never let go)

So say that you're coming home

You know it's Christmas Eve

Last year I was here alone

Don't tell me this year's the same (Say it's not the same)

The same

It was a masked Christmas, we stayed in the house (We stayed in the house)

We covered our nose and covered our mouth (And covered our mouth)

But it's Christmas time

We'll be in line for a booster (For a booster)

But it's Christmas time

We'll be in line for a booster

Ay, ay, ay

This Christmas I'ma make it count (Make it count)

No more quarantine on the couch (Yeah)

This year hang that mistletoe (Mistletoe)

I'ma kiss everybody that I know (Muah)

This year's different, you can tell

Deck those halls and jingle bells

Put Purell on everything (What?)

Turkey, egg nog, candy cane (Ooh)

Hey ho

There's a good chance of snow

Hey ho

Somebody wipe Rudolph's nose

Ho hey

I promise we'll be okay

'Cause now we're in line for a booster

It was a masked Christmas, we stayed in the house (We stayed in the house)

We covered our nose and covered our mouth (And covered our mouth)

But it's Christmas time

We'll be in line for a booster (For a booster)
