

# Jimmy Nail, Ain't No Doubt

Ain't no doubt  
she says 'it's not you - it's me  
I need a little time, a little space  
a place to find myself again  
you know?'  
oh yes, I know a goodbye when I hear  
it she smiles  
but her heart's already out there  
walking down the street  
she says  
'I don't want nobody else  
I love you', she's lying  
'there won't be somebody else  
and that's true'  
she's lying  
'say you'll always be my friend  
sweet darling'  
why does she pretend?  
ain't no doubt, it's plain to see  
a woman like you's no good for me  
your heart's beating at another door  
I'm a damned fool for to ask for more  
she says  
'it's like in a song, remember?  
"if you love someone, set them free"  
well, that's how it is for me  
and then she kisses me  
and somewhere I hear a door slam  
so I say 'fine'  
and just hope that I'm a better liar  
than she is  
she says  
'I don't want nobody else  
I love you'.  
she's lying  
'say you'll always be my friend  
sweet darling'  
why does she pretend?  
ain't no doubt, it's plain to see  
a woman like you's no good for me  
your heart's beating at another  
door I'm a damned fool for to ask  
for more ain't no doubt, it's  
plain to see  
a woman like you's no good for me  
your heart's beating at another  
door I'm a damned fool for to ask  
for more  
'I don't want nobody else  
I love you'  
she's lying  
'there won't be somebody else  
and that's true'  
she's lying  
'say you'll always be my friend  
sweet darling'  
why does she pretend?

a woman like you's no good for me  
your heart's beating at another  
door I'm a damned fool for to ask  
for more ain't no doubt, it's  
plain to see  
a woman like you's no good for me

your heart's beating at another  
door I'm a damned fool for to ask  
for more
