

Jo Damita, Life

Got a story to tell
bout Jesus Christ
How he came to earth
To set you free
from all your sins
When this is over
You can live again

(CHORUS)

I've come that you might
have life more abundantly
I've come that you might
Have life more abundantly

Got a story to tell
And i
ts not oo long
bout a man who gave his life
Though he never did no wrong
let me explain
The reason why
Hung his head and died
So you could have eternal life

(chorus)

Ive come that you might
Have life more abundantly
I've come that you might
Have life more abundantly

He did it all
For you and me
So that we could live
Life more abundantly
I tell the world
Everywhere I go
He gave his life
And everyone should know

(CHORUS)

I've come that you might
Have life more abundantly
I've come that you might
Have life more abundantly

Life, Life, he came all the way and gave his self for you and I
