

# Joan Armatrading, Get In The Sun

Oh babe  
I'm gonna sit myself right down and relax  
Oh babe  
I'm gonna take it real easy and that's a fact

I got my glass of water cooling  
Got the shades over my eyes  
Don't try to wake me  
Before day turns to night

Babe  
Open all the doors and take down the blinds  
Babe  
Trap that sun keep it nice and bright

I got this feeling deep inside me  
Summer will be good  
Don't tell me different  
Think that it should

Get up get out get in the sun  
You know that it's nice

Oh  
Sun is out  
Make me feel so good  
Make me feel so good  
Long as the sun is out  
I'm all right
