Joan Armatrading, Get In The Sun

Oh babe I'm gonna site myself right down and relax Oh babe I'm gonna take it real easy and that's a fact

I got my glass of water cooling Got the shades over my eyes Don't try to wake me Before day turns to night

Babe Open all the doors and take down the blinds Babe Trap that sun keep it nice and bright

I got this feeing deep inside me Summer will be good Don't tell me different Think that it should

Get up get out get in the sun You know that it's nice

Oh Sun is out Make me feel so good Make me feel so good Long as the sun is out I'm all right
