

# Joan As Police Woman, The Classic

I am home  
In your arms  
And I feel like this is lumen  
It's been a long rock'n'roll  
I have run  
Could it be after all  
All I need to get back  
And I love how it feel  
Use to be so high  
Without ?  
It's been all I drive to your heart  
It

Could it be that you  
You're the one
