

# Joan Jett And The Blackhearts, Eye To Eye

(Joan Jett/Jim Vallance/Kenny Laguna)

I got a word or two cuz I don't understand  
What's with me and you it's getting outta hand  
Somethin's on your mind, you don't have to shout  
Why can't we just talk and figure this thing out

I used to think that you and me would stay together  
Why oh why can't we see eye to eye?  
Why oh why can't we see eye to eye?

You make me come with you and then you give me grief  
When I try to go you never let me leave  
If I shut my mouth you think that I don't care  
When I try to help you say it's your affair

It's not the way that you and me should treat each other  
Why oh why can't we see eye to eye?  
Why oh why can't we see eye to eye?

It's breakin' my heart we're grown' apart  
An' we never seem to agree  
I'm walkin' away we got nothin' to say  
But that ain't the way it should be be  
(We're history!)

It's such a drag we have this bad misunderstanding  
Why oh why can't we see eye to eye?  
Why oh why can't we see eye to eye?
