

Joan Jett And The Blackhearts, Heartbeat

(J. Jett/J. Allen)

Are you my lover
Or just fancy covers
That I hold at night
I wish upon a star
With my eyes shut tight
That my hopes and dreams
Will be recognized
Cause it's fun with you
Yeah, it's fun with you

And I know what you want
And I know what you need
I feel your heartbeat, heartbeat

I know what you want
And I know what you need
I feel your heartbeat
I feel your heartbeat

Sometimes I wonder
Where is that thunder
You had the other day
Watching your eyes burn
For the love you won't return
It's right next to you
Don't you let it slip through
Cause it's fun with you
Yeah, it's fun with you

And I know what you want
And I know what you need
I feel your heartbeat, heartbeat

I know what you want
And I know what you need
I feel your heartbeat
I feel your heartbeat

I feel your heartbeat
I feel your heartbeat

Heartbeat
Heartbeat
Heartbeat
Heartbeat
Heartbeat
Heartbeat
Heartbeat
Heartbeat

I feel your heartbeat
I feel your heartbeat (heartbeat)
I feel your heartbeat (heartbeat)
I feel your heartbeat
I do
Oh yeah
